PARASCHOS KARAVATAKIS

Architect Engineer of NTUA

ΠΑΡΑΣΧΟΣ ΚΑΡΑΒΑΤΑΚΗΣ
Αρχιτέκτων Μηχανικός Ε.Μ.Π.

Paraschos Karavatakis is a Certified Architect Engineer of NTUA.

Among others he has a degree in Interior Architecture from ECOLE NATION SUPER Des ARTS - DECORATIF, from ECOLE BOULLE in Paris and from the Department of Furniture Designers of the Double School.

From 1970 to 2011 he worked in the field of Architecture, with ARCH-MID P. Karavatakis Ltd.

The office deals with Public and Private sector projects with the main object being the elaboration of studies, the supervision of constructions as well as the provision of technical consulting services.

A special part of Mr. Karavatakis's activity was his involvement with Architecture on ships, with several projects on cruise ships and passenger ships. The office was housed in a privately owned space in Kifissia and the office has participated in pan-Hellenic competitions which have been presented in publications in Greece and abroad.

Paraschos Karavatakis is a member of :
